

Dear Young Professionals,

The Paterson Young Professionals Network was created to provide a platform for young professionals to build relationships and develop professionally. Membership into the PYP entitles you to attend our networking mixers, and business development workshops at Chamber Member rates. It is never too early to start building your network of business contacts and fostering good working relationships.

I hope to meet you at one of our upcoming events. You can learn more about our scheduled events on the Chamber's Events Calendar on our website: www.greaterpatersoncc.org.

Furthermore, please feel free to join our PYP Facebook page for more information and interaction.

Sincerely,

Omar Huamani, PYP Chair
